A grievance shall mean a complaint that there has been an alleged violation or misapplication of any provision of this agreement.

SECTION 2. STATEMENT OF BASIC PRINCIPLES:

- A. Every teacher covered by this agreement shall have the right to present grievances in accordance with these procedures, with or without representation. Nothing contained in this article or elsewhere in this agreement shall be construed to prevent any individual teacher from discussing a problem with the administration and having it adjusted without intervention or representation of union representative.
- B. A teacher who participates in these grievance procedures shall not be subjected to discipline or reprisal because of such participation. A grievance may be withdrawn at any level without reprisal from the Union or Board against grievance.
- C. The failure of a teacher or the Union to act on any grievance within the prescribed time limits will act as a bar to any further appeal and an administrator's failure to give a decision within the time limits shall permit the grievance to proceed to the next step. The time limits, however, may be extended by mutual agreement.
- D. Any teacher has a right to be represented in the grievance procedure. The teacher shall be present at any grievance discussion when the administration and/or the Union deem it necessary. When the presence of a teacher at a grievance hearing is requested by either party, illness or other incapacity of the teacher shall be grounds for any reasonable extension of grievance procedure time limits.
- E. In any instance where the Union is not represented in the grievance procedure, the Union will be notified of the final disposition of the grievance which disposition shall not be in conflict with any of the terms or conditions of this agreement. Any final disposition of grievance alleged by the Union to be in conflict with this agreement shall be grievable by the Union.
- F. Hearings and conferences under this procedure shall be conducted at a time and place which will afford a fair and reasonable opportunity for all persons, including witnesses entitled to be present, to attend and will be held insofar as possible, after regular school hours, or during non-teaching time of personnel involved. When such hearings and conferences are held, at the option of the administration, during school hours all employees whose presence is required shall be excused with pay for that purpose.
- G. It is agreed that any investigation or other handling or processing of any grievance by the grieving teacher or teacher union representative shall be conducted so as to result in no

interference with or interruption whatsoever of the instructional program and related work activities of the teaching staff.

SECTION 3. PROCEDURE:

- A. **FIRST STEP:** An attempt will be made to resolve any grievance in informal, verbal discussion between complainant and his immediate supervisor.

- B. **SECOND STEP:** If a grievance cannot be resolved informally, the aggrieved teacher shall file the grievance in writing and, at a mutually agreeable time, discuss the matter with the immediate supervisor. The written grievance shall state the nature of the grievance, shall state the specific clause or clauses of the agreement allegedly violated, and shall state the remedy requested. The filing of the grievance at the second step must be within ten (10) working days from the date of the occurrence of the event giving rise to the grievance. The immediate supervisor who has authority to make a decision on the grievance shall make such decision and communicate it in writing to the teacher and the Superintendent within ten (10) working days.

- C. **THIRD STEP:** In the event a grievance has not been satisfactorily resolved at the second step, the aggrieved teacher shall file, within five (5) school days of the immediate supervisor's written decision or answer at the second step, a copy of the grievance with the Superintendent. Within ten (10) school days after such written grievance is filed, the aggrieved, the representative of the aggrieved as desired, the immediate supervisor, Superintendent or his designee shall meet. The Superintendent shall file an answer within ten (10) school days of the third step grievance meeting and communicate it in writing to the teacher, the immediate supervisor, and the Union.

- D. **FOURTH STEP:** If the grievance cannot be settled at the Third step the grievance shall be submitted to the Board of Education within five (5) school days. The aggrieved, acting independently or through the Union, shall have a hearing conducted by the full Board in closed session of the Board at the next regularly scheduled Board meeting. The Board shall render its decision in writing within five (5) school days after the meeting.

- E. **FIFTH STEP:** If the grievance is not resolved satisfactorily to the Union within five (5) school days after consideration by the Board, there shall be available a fifth step of impartial binding arbitration. The Union may submit, in writing, a request to enter into such arbitration. The arbitration proceeding shall be conducted by an arbitrator to be selected by the two parties within seven (7) school days after said notice is given. If the two parties fail to reach agreement on an arbitrator within seven (7) school days, the American Arbitration Association will be requested to provide a panel of seven (7) arbitrators. Each of the two parties will alternatively strike one name at a time from the panel until only one shall remain. The remaining name shall be the arbitrator. The decision of the arbitrator will be binding on the parties. Expense for the arbitrator's services and the expenses that are common to both parties to the arbitration shall be borne equally by the Board and the Union. Each party to an arbitration proceeding shall be responsible for compensating its own in his agreement. His authority shall be strictly limited to deciding only the issue or issues presented to him in writing by the School Board and the

Union and his decision must be based solely upon his interpretation of the meaning or application of the express relevant language of the agreement.

VI – CONFORMITY TO LAW AND RESERVATION OF RIGHTS PROVISION

- B. In the event of any violation of any provision of Section A2 of this Article by the Union, its members or representative, or by any employee:
 - 1. Any violating employee shall be subject to discipline or discharge as determined appropriate in the sole unilateral discretion of the Board.
 - 2. The Union shall, upon notice from the Board, immediately direct such employees both orally and in writing to resume normal operations immediately and make every other reasonable effort to end any violation(s).

When special custodial services are required, the Union will pay for said services at the usual and customary rates.

Therefore, the pay increase shall be limited to the amount that is TRS creditable without additional payment by the Board.

XIV – ZIPPER CLAUSE

WAIVER OF MID-TERM BARGAINING

- A. The parties acknowledge that during the negotiations that resulted in this Agreement, each had the unlimited right and opportunity to make demands and proposals with respect to any subject or matter not removed by law or by specific agreement of the parties. Therefore, the Board and Union for the life of this Agreement each voluntarily and unqualifiedly waive any right which may otherwise exist to negotiate over any matter which either is referred to in this Agreement or which included the exchange of proposals and substantive counterproposals made by either party during the course of negotiating this or prior agreements.
- B. The Union and the Board agree that there may be instances where strict adherence to contract language may impede implementation of educational alternatives which are designed to meet student needs. In those instances, the Union and the Administration may discuss possible alternatives to provide relief from specific contract provision in order to meet student needs.
